W.net to Kickoff Annual Designer BootCamp in October

January 31, 2008 Phoenix, AZ: W.net announced today that it will host its first Annual Designer Bootcamp Career Development and Leadership Summit on October 23-24, 2008 in Chicago, IL at the Westin Chicago River North.

The Designer BootCamp is the first of its kind and will become W.net's annual conference. The multi-day event will feature successful women speakers, covering a wide array of topics on career and leadership development. W.net will also kick off its annual awards program at this event, which will recognize the exemplary efforts of individuals and corporations who elevate the overall success of women in the industry.

W.net events are open to all women in the electronic transactions industry, members and non-members, and offer a forum for the best and brightest women to come together to exchange ideas, learn new techniques, network with each other, and have fun!

For more information on W.net events, or to register to attend, please visit www.w-net.biz.

About W.net (www.w-net.biz)

Women Networking in Electronic Transactions (W.net) was founded in 2005 to inspire and empower women in the electronic transactions industry to maximize their individual potential and position themselves for greater personal success.
